14       human dignity;

16       gress encouraged support for the establishment of a

18       System, or on other Federal lands, dedicated to the  
19       promotion of understanding, knowledge, opportunity,  
20       and equality for all people;

22       the conducting of interpretive and educational pro-  
23       grams, dedicated to the heritage and culture of Afri-  
24       can Americans, will help to inspire and educate the  
25       people of the United States regarding the cultural

1 legacy of African Americans and the contributions  
2 made by African Americans to the society of the  
3 United States; and

4 (6) the Smithsonian Institution operates 15
