1 (2) An official Department of Navy report re-

3 Authorization Act clearly stipulates that a seventh
4 LHD is required in order for the Navy to achieve a

6 (3) The Department of Navy has identified
7 funds for the purchase of LHD-7 in outyear budget
8 projections.

9 (4) A significant shortfall in amphibious ship-

9 (2) The Secretary of the Navy shall imme-
10 diately begin negotiations to extend the existing con-
11 tract option for the LHD-7 Amphibious Assault
12 Ship Program.

13 (3) On and after the date that is 30 days after
14 the date on which the Secretary notifies Congress of
15 an intention to do so, the Secretary may use such
16 program funds authorized to be appropriated for
17 other Navy programs for such contract. The notifi-

19 of the funds.

20 (d) REPORT REQUIREMENT.—The Secretary of the

22 1994, but before March 31, 1995, Department of the
23 Navy intentions related to contract execution of the exist-
24 ing contract option for the LHD-7 Amphibious Assault
25 Ship. The report shall include an explanation of the De-

14 Secretary of Defense to transfer management and
15 budget responsibility for research and development
16 regarding far-term follow-on technologies from the
17 Ballistic Missile Defense Organization unless the
18 Secretary certifies that it is in the national security
19 interest of the United States for the Ballistic Missile
20 Defense Organization to retain that responsibility.

21 (2) For purposes of section 243 of such Act, a
22 far-term follow-on technology was defined as any
23 technology that is not incorporated into a ballistic

17 and possible nonmilitary applications for such lasers.

18 (2) If, as a result of budgetary limitations, the Direc-
19 tor of the Ballistic Missile Defense Organization is unable
20 to program sufficient funds to ensure that the space-based
21 chemical laser program remains an option for the acquisi-
22 tion process within the next fifteen years, the Secretary
23 of Defense shall—

1 (A) establish a new high energy laser research
2 and development program outside of the Ballistic
3 Missile Defense Organization;

5 for fiscal year 1995 for programs administered by
6 the Ballistic Missile Defense Organization to the
7 new high energy laser research and development pro-

9 (C) assign the duty to perform the management
10 and budget responsibilities for the new program to
11 the Secretary of the military department determined
12 by the Secretary of Defense most appropriate to per-
13 form such responsibilities or, if the Secretary deter-

13 ings:

14 (1) The President has made a commitment to
15 maintaining the qualitative superiority of the Israeli
16 Defense Force over any potential combination of po-
17 tential adversaries.

18 (2) Despite the peace process in which Israel is
19 engaged, Israel continues to face difficult threats to
20 its national security.

21 (3) The threats are compounded by the pro-
22 liferation of weapons of mass destruction and ballis-
23 tic missiles.

24 (4) Congress recognizes the many benefits to
25 the United States resulting from the strategic rela-

1 tionship that exists between the United States and
2 Israel.

3 (5) Congress is supportive of the objective of
4 the President to enhance United States-Israel mili-
5 tary and technical cooperation, particularly in the
6 areas of missile defense and counter-proliferation.

7 (6) Congress is supportive of the establishment
8 of the United States-Israel Science and Technology
9 Commission in 1993.

10 (7) Maintaining the qualitative superiority of
11 the Israeli Defense Force and strengthening the de-
12 fense ties and science and technology cooperation be-
13 tween the United States and Israel will help ensure
14 that Israel has the military strength and political
15 support necessary to take risks for peace while pro-
16 viding Arab states with an incentive to pursue nego-
17 tiations instead of war.

18 (8) Israel continues to cooperate with the Unit-
19 ed States on numerous theater missile defense pro-
20 grams, including the Arrow Tactical Anti-Missile
21 program and the boost phase intercept technology
22 program.

23 (9) It is in the national interests of the United
24 States and Israel to strengthen existing mechanisms
25 for cooperation and to eliminate unnecessary bar-

1 riers to further collaboration between the United
2 States and Israel.

3 (b) SENSE OF CONGRESS.—It is the sense of Con-
4 gress that Congress—

5 (1) encourages the President to ensure that any
6 conventional defense system or technology offered
7 for release to any NATO or other major non-NATO
8 ally should concurrently be available for purchase by
9 Israel unless such action would contravene United
10 States national interests; and

11 (2) urges the President to make available to Is-
12 rael, within existing technology transfer laws, regula-
13 tions, and policies, advanced United States tech-
14 nology necessary for continued progress in coopera-
15 tive United States-Israel research and development

16 propriations accounts for the pay and allowances
17 paid to National Guard personnel and other reserve
18 components personnel for service while engaged in

3 “(e) LIMITATIONS.—(1) Funds may not be provided
4 under this section for a fiscal year for any activity for
5 which—

8 section 1105(a) of title 31; and

9 “(B) Congress did not authorize appropriations.

3 **SEC. 1017. BURDENSARING POLICY AND REPORT.**

4 (a) POLICY.—It is the policy of the United States
5 that the North Atlantic Treaty Organization (NATO) al-
6 lies should assist the United States in paying the incre-
7 mental cost incurred by the United States for maintaining
8 members of the Armed Forces in assignments to perma-
9 nent duty ashore in Europe solely for performing United
10 States obligations for support of NATO.

11 (b) IMPLEMENTATION.—The President shall take all
12 necessary actions to ensure the effective implementation
13 of the burdensharing policy set forth in subsection (a).

14 (c) REPORT.—The Secretary of Defense shall include
15 in the annual burdensharing report required by section
16 1002(d) of the Department of Defense Authorization Act,
17 1985 (22 U.S.C. 1928 note) the following matters:

18 (1) A specific enumeration and description of
19 the United States military resources and military
20 personnel assigned to permanent duty ashore in Eu-
21 rope primarily in support of NATO and an analysis
22 of the cost of providing and maintaining such re-
23 sources and personnel in such assignment primarily
24 for that purpose.

1 (2) A specific enumeration and description of
2 the United States military resources and military
3 personnel assigned to permanent duty ashore in Eu-
4 rope primarily in support of other United States in-
5 terests in other regions of the world and an analysis
6 of the cost of providing and maintaining such re-
7 sources and personnel in such assignment primarily
8 for that purpose.

9 (3) A specific enumeration and description of
10 the offsets to United States costs of providing and
11 maintaining United States military resources and
12 military personnel in Europe that the United States
13 has previously received from other NATO member
14 nations, set out by country and by type of assist-
15 ance, including both “in-kind” assistance and direct
16 cash reimbursement, and the projected offsets for
17 the five fiscal years following the fiscal year in which
18 the report is submitted.

19 (4) A detailed identification of the costs associ-
20 ated with maintaining United States military per-
21 sonnel in assignments to permanent duty ashore in
22 Europe for NATO and the difference in cost that
23 would result from stationing such personnel at mili-
24 tary bases within the United States and continuing

1 to assign to such personnel the mission to perform
2 United States obligations under NATO.

3 (5) A comparison of the defense spending by
4 each NATO member country as a percentage of
5 Gross Domestic Product (GDP) beginning in 1985
6 and the projected future defense spending as a per-
7 centage of Gross Domestic Product through 2000.

13 the term “incremental cost”, with respect to maintaining
14 members of the Armed Forces in assignments to perma-
15 nent duty ashore in Europe, includes the cost of transpor-
16 tation to and from duty stations in Europe, any variation
17 in the cost of housing and food as compared to the cost
18 of housing and food for members of the Armed Forces
19 stationed in the United States, and any additional expend-
20 itures associated with infrastructure necessary to support
21 United States forces in Europe.

1 **SEC. 1018. REVIEW AND REPORT REGARDING DEPARTMENT**
2 **OF DEFENSE PROGRAMS RELATING TO RE-**
3 **GIONAL SECURITY AND HOST NATION DEVEL-**
4 **OPMENT IN THE WESTERN HEMISPHERE.**

5 (a) FINDINGS.—Congress makes the following find-
6 ings:

7 (1) The political environment in the Western
8 Hemisphere has been characterized in recent years
9 by significant democratic advances and an absence
10 of international strife; but democracy is fragile in
11 some nations of the region.

12 (2) It is desirable for the Department of De-
13 fense to perform a positive role in influencing re-
14 gional armed forces to make positive contributions to
15 the democratic process and to domestic development
16 programs.

17 (3) Congress receives a number of annual re-
18 ports relating to specific authorities granted to the
19 Secretary of Defense under title 10, United States
20 Code, such as the authorities relating to the conduct
21 of bilateral or regional cooperation programs under
22 section 1051, participation of developing countries in
23 combined exercises under section 2110, and the
24 training of special operations forces with friendly
25 forces under section 2011.

1 (4) The annual reports are replete with statis-
2 tics and dollar figures and generally lacking in sub-
3 stance.

4 (5) Congress does not receive annual reports
5 with respect to other authorities of the Secretary of
6 Defense, such as that relating to Latin American co-
7 operation under section 1050 of title 10, United
8 States Code.

9 (6) Testimony before Congress, including in
10 particular the testimony of the Commander in Chief,
11 United States Southern Command, and the Com-
12 mander in Chief, United States Atlantic Command,
13 has emphasized the conduct of a large number of
14 complementary programs under the leadership and
15 supervision of those two commanders to foster ap-
16 propriate military roles in democratic host nations
17 and to assist countries in developing forces properly
18 trained to address their security needs, including
19 needs regarding illegal immigration, insurgencies,
20 smuggling of illegal arms, munitions, and explosives
21 across borders, and drug trafficking.

22 (7) Most of the programs referred to in para-
23 graph (6) provide excellent and often unique train-
24 ing and experience to the United States forces in-
25 volved.

1 (8) The expansion of the military-to-military
2 contact program to the Western Hemisphere will
3 provide another tool to encourage a democratic ori-
4 entation of the defense establishments and military
5 forces of countries in the region.

6 (9) There is a need to conduct a comprehensive
7 review of the several authorities in title 10, United
8 States Code, for the Secretary of Defense to engage
9 in cooperative regional security programs with other
10 countries in the Western Hemisphere in order to de-
11 termine whether the authorities continue to be ap-
12 propriate and necessary, particularly in the light of
13 the changed circumstances in the region.

14 (10) There is a need to conduct a comprehen-
15 sive review of the various programs carried out pur-
16 suant to such authorities to ensure that such pro-
17 grams are designed to meet the needs of the host
18 nations involved and the regional objectives of the
19 United States.

20 (11) There is a need to assess the strengths
21 and weaknesses of the various regional security or-
22 ganizations, defense forums, and defense education
23 institutions in the Western Hemisphere in order to
24 identify any improvements needed to harmonize the

1 defense policies of the United States and those of
2 friendly nations of the region.

3 (b) REPORT REQUIRED.—Not later than May 1,
4 1995, the Secretary of Defense, shall—

5 (1) carry out a comprehensive review and as-
6 sessment of the matters referred to in paragraphs
7 (9), (10), and (11) of subsection (a); and

8 (2) after consultation with the Chairman of the
9 Joint Chiefs of Staff and the commanders of the
10 combatant commands responsible for regions in the
11 Western Hemisphere, submit to the Committees on
12 Armed Services of the Senate and House of Rep-
13 resentatives a report on regional defense matters.

14 (c) CONTENT OF REPORT.—The report shall contain
15 a detailed and comprehensive description, discussion, and
16 analysis of the following matters:

17 (1) The Department of Defense plan to support
18 United States strategic objectives in the Western
19 Hemisphere.

20 (2) The external and internal threats to the na-
21 tional security of the nations of the region.

22 (3) The various regional security cooperative
23 programs carried out by the Department of Defense
24 in the region in 1994, including training and edu-
25 cation programs in the host nations and in the Unit-

1 ed States and defense contacts set forth on a coun-
2 try-by-country basis, the statutory authority, if any,
3 for such programs, and the strategic objectives
4 served.

5 (4) The various regional security organizations,
6 defense forums, and defense education institutions
7 that the United States maintains or in which the
8 United States participates.

9 (5) An assessment of the contribution that such
10 programs, defense contacts, organizations, forums,
11 and institutions make to the advancement of re-
12 gional security, host nation security and national de-
13 velopment, and the strategic objectives of the United
14 States.

15 (6) The changes made or to be made in the
16 programs, organizations, forums, and institutions as
17 a result of the comprehensive review.

18 (7) Any recommended legislation considered
19 necessary to improve the ability of the Department
20 to achieve its strategic objectives.

21 (d) CLASSIFICATION OF REPORT.—The report shall
22 be submitted in an unclassified form and may, if nec-
23 essary, have a classified supplement.

1 **SEC. 1019. PAYMENTS-IN-KIND FOR RELEASE OF UNITED**
2 **STATES OVERSEAS MILITARY FACILITIES TO**
3 **NATO HOST COUNTRIES.**

4 (a) FINDINGS.—Congress makes the following find-
5 ings:

6 (1) The United States has invested
7 \$6,500,000,000 in military infrastructure in North
8 Atlantic Treaty Organization (NATO) countries.

9 (2) As part of an overall plan to reduce United
10 States troop strength in Europe from 323,432 in
11 1987 to 100,000 by the end of 1996, the Depart-
12 ment of Defense plans to close or reduce United
13 States military presence at 867 military sites over-
14 seas.

15 (3) Most of the overseas military sites an-
16 nounced for closure are in Europe where the United
17 States has already closed 434 such sites.

18 (4) When the United States closes military sites
19 in Europe, the United States brings the military
20 personnel home but leaves buildings, roads, sewers,
21 and other real property improvements behind.

22 (5) Some allies have agreed to pay the United
23 States for the residual value of the real property im-
24 provements left behind.

25 (6) Although the United States military
26 drawdown has been rapid since 1990, European al-

1 lies have been slow to pay the United States the re-
2 sidual value of the sites released by the United
3 States.

4 (7) As of 1994, the United States has recouped
5 only \$33,300,000 in cash, and most of that was re-
6 covered in 1989.

7 (8) Although the United States has released to
8 Germany over 60 percent of the military sites
9 planned for closure by the United States in that
10 country and the current value of United States fa-
11 cilities to be returned to the German government is
12 estimated at approximately \$2,700,000,000, the
13 German government has budgeted only \$25,000,000
14 for fiscal year 1994 for payment of compensation for
15 the United States investment in such improvements.

16 (b) POLICY.—It is the sense of Congress that—

17 (1) the President should redouble efforts to re-
18 cover the value of the United States investment in
19 the military infrastructure of NATO countries;

20 (2) the President should enter into negotiations
21 with the government of each NATO host country
22 with a presumption that payments to compensate
23 the United States for the negotiated value of im-
24 provements will be made in cash and deposited in

1 the Department of Defense Overseas Military Facil-
2 ity Investment Recovery Account;

3 (3) the President should enter into negotiations
4 for payments-in-kind only as a last resort and only
5 after informing the Congress that negotiations for
6 cash payments have not been successful; and

7 (4) to the extent that in-kind contributions are
8 received in lieu of cash payments in any fiscal year,
9 the in-kind contributions should be used for projects
10 which are identified priorities of the Department of
11 Defense.

12 (c) REQUIREMENTS AND LIMITATIONS RELATING TO
13 PAYMENTS-IN-KIND.—(1) Subsection (e) of section 2921
14 of the National Defense Authorization Act for Fiscal Year
15 1991 (10 U.S.C. 2687 note) is amended—

16 (A) by inserting “(1)” after “NEGOTIATIONS
17 FOR PAYMENTS-IN-KIND.—”;

18 (B) by striking out “a written notice” and all
19 that follows and inserting in lieu thereof “to the con-
20 gressional defense committees (and one additional
21 copy to each of the Subcommittees on Defense of the
22 Committees on Appropriations of the Senate and the
23 House of Representatives) a written notice regarding
24 the intended negotiations.”; and

1 (C) by adding at the end the following new
2 paragraph:

3 “(2) The notice shall contain the following:

4 “(A) A justification for entering into negotia-
5 tions for payments-in-kind with the host country.

6 “(B) The types of benefit options to be pursued
7 by the Secretary in the negotiations.

8 “(C) A discussion of the adjustments that are
9 intended to be made in the future-years defense pro-
10 gram or in the budget of the Department of Defense
11 for the fiscal year in which the notice is submitted
12 or the following fiscal year in order to reflect costs
13 that it may no longer be necessary for the United
14 States to incur as a result of the payments-in-kind
15 to be sought in the negotiations.”.

16 (2) Such section is amended by adding at the end
17 the following new subsection:

18 “(h) CONGRESSIONAL OVERSIGHT OF PAYMENTS-IN-
19 KIND.—(1) Not less than 30 days before concluding an
20 agreement for acceptance of military construction or facil-
21 ity improvements as a payment-in-kind, the Secretary of
22 Defense shall submit to Congress a notification on the pro-
23 posed agreement that contains the following matters:

1 “(A) A description of the military construction
2 project or facility improvement project, as the case
3 may be.

4 “(B) A certification that the project is needed
5 by United States forces.

6 “(C) An explanation of how the project will aid
7 in the achievement of the mission of those forces.

8 “(D) A certification that, if the project were to
9 be carried out by the Department of Defense, appro-
10 priations would be necessary for the project and it
11 would be necessary to provide for the project in the
12 next future-years defense program.

13 “(2) Not less than 30 days before concluding an
14 agreement for acceptance of host nation support or host
15 nation payment of operating costs of United States forces
16 as a payment-in-kind, the Secretary of Defense shall sub-
17 mit to Congress a notification on the proposed agreement
18 that contains the following matters:

19 “(A) A description of each activity to be cov-
20 ered by the payment-in-kind.

21 “(B) A certification that the costs to be covered
22 by the payment-in-kind are included in the budget of
23 one or more of the military departments or that it
24 will otherwise be necessary to provide for payment of

1 such costs in a budget of one or more of the military
2 departments.

3 “(C) A certification that, unless the payment-
4 in-kind is accepted or funds are appropriated for
5 payment of such costs, the military mission of the
6 United States forces with respect to the host nation
7 concerned will be adversely affected.”.

7 (1) The families of American personnel who be-
8 came prisoners of war or missing in action while
9 serving in the Armed Forces of the United States
10 and national veterans organizations have expressed
11 concern to Congress for several years regarding pro-
12 visions of chapter 10 of title 37, United States Code,
13 relating to missing persons, that authorize the Sec-
14 retaries of the military departments to declare miss-
15 ing Armed Forces personnel dead based solely on
16 the passage of time.

17 (2) Proposed legislation concerning revisions to
18 those provisions of law has been pending before Con-
19 gress for several years.

20 (3) It is important for Congress to obtain the
21 views of the Secretary of Defense with respect to the

19 had been held in China during the Korean conflict
20 and that foreign POW camps in both China and
21 North Korea were run by Chinese officials” and,
22 further, that “given the fact that only 26 Army and
23 15 Air Force personnel returned from China follow-
24 ing the war, the committee can now firmly conclude
25 that the People’s Republic of China surely has infor-

1 mation on the fate of other unaccounted for Amer-
2 ican POW's from the Korean conflict.”.

3 (2) The Select Committee on POW/MIA Affairs
4 recommended in such report that “the Department
5 of State and Defense form a POW/MIA task force
6 on China similar to Task Force Russia.”.

7 (3) Neither the Department of Defense nor the

10 China concerning unaccounted for American pris-

12 (b) SENSE OF CONGRESS.—It is the sense of Con-

16 ing to American prisoners of war and American personnel
17 missing in action as a result of the Korean conflict.

17 (2) If the Office of Personnel Management makes a
18 determination to establish a program as provided under
19 paragraph (1), the Office shall include in the report sub-

8 require such terms and conditions in connection with the

11 **SEC. 1084. STUDY OF SPOUSAL ABUSE INVOLVING ARMED**
12 **FORCES PERSONNEL.**

13 (a) FINDINGS.—Congress makes the following find-
14 ings:

15 (1) The Department of Defense has sponsored
16 several highly successful programs designed to cur-

18 (2) The readiness of the Armed Forces would
19 be enhanced by eliminating all forms of spousal

 5 **ARMED FORCES WHO, WHILE SERVING ON**
 6 **ACTIVE DUTY, DIED FROM A CAUSE DETER-**
 7 **MINED TO BE SELF-INFLICTED.**

8 SENSE OF CONGRESS.—It is the Sense of Congress
 9 that, upon receipt of the report required by section 1185
 10 of the National Defense Authorization Act for Fiscal Year
 11 1994, the Senate Committee on Armed Services should re-
 12 view that report and hold hearings related to the proce-
 13 dures employed by Department of Defense investigative
 14 organizations when conducting an investigation into the
 15 death of a member of the Armed Services who, while serv-
 16 ing on active duty, died from a cause determined to be
 17 self-inflicted.

18 **SEC. 1086. PUBLIC EDUCATION FACILITY OF THE ARMED**
 19 **FORCES INSTITUTE OF PATHOLOGY.**

20 (a) PURPOSE.—It is the purpose of this section to—

21 (1) display and interpret the collections of the
 22 Armed Forces Institute of Pathology currently lo-
 23 cated at Walter Reed Medical Center; and

24 (2) designate a site for the relocation of the
 25 public education facility of the Armed Forces Insti-
 26 tute of Pathology so that it may serve as a central

1 resource of instruction about the critical health is-
2 sues which confront all American citizens.

3 (b) SITE OF FACILITY.—The public education facility
4 of Armed Forces Institute of Pathology shall be located
5 on or near the Mall on land owned by the Federal Govern-
6 ment or the District of Columbia in the District of Colum-
7 bia.

8 (c) RULE OF CONSTRUCTION.—Nothing in this sec-
9 tion shall be construed as limiting the authority or respon-
10 sibilities of the National Capital Planning Commission or
11 the Commission of Fine Arts.

12 (d) DEFINITION.—As used in this section, the term
13 “the Mall” means—

14 (1) the land designated as “Union Square”,
15 United States Reservation 6A; and

16 (2) the land designated as the “Mall”, United
17 States Reservations 3, 4, 5, and 6.

18 (e) SENSE OF THE CONGRESS.—

19 (1) FINDINGS.—Congress finds that—

20 (A) the National Museum of Health and
21 Medicine Foundation, Inc. (a private, nonprofit
22 organization having for its primary purpose the
23 relocation to the Mall and revitalization of the
24 National Museum of Health and Medicine), the
25 Armed Forces Institute of Pathology, and the

1 Public Health Service have jointly supported
2 planning to relocate the Museum to a site on
3 land that is located east of and adjacent to the
4 Hubert H. Humphrey Building (100 Independ-
5 ence Avenue, Southwest, in the District of Co-
6 lumbia); and

7 (B) the National Museum of Health and
8 Medicine Foundation, Inc., is deserving of the
9 encouragement and support of the American
10 people in its effort to relocate the National Mu-
11 seum of Health and Medicine to a site on land
12 the is located east of and adjacent to the Hu-
13 bert H. Humphrey Building, and in its effort to
14 raise funds for a revitalized Museum to inspire
15 increasing numbers of Americans to lead
16 healthy lives through improved public under-
17 standing of health and the medical sciences.

18 (2) LOCATION.—It is the sense of the Congress
19 that, subject to appropriate approvals by the Na-
20 tional Capital Planning Commission and the Com-
21 mission of Fine Arts, the National Museum of
22 Health and Medicine should be relocated to a site on
23 land that is located east of and adjacent to the Hu-
24 bert H. Humphrey Building for the purpose of edu-

1 cating the American public concerning health and
2 the medical sciences.

22 “(1) an assignment of an employee of a Federal
23 agency to an other organization or an institution of
24 higher education, and an employee so assigned, shall
25 be treated in the same way as an assignment of an

1 employee of a Federal agency to a State or local
2 government, and an employee so assigned, is treated
3 under the provisions of this subchapter governing an
4 assignment of an employee of a Federal agency to
5 a State or local government, except that the rate of
6 pay of an employee assigned to a federally funded
7 research and development center may not exceed the
8 rate of pay that such employee would be paid for
9 continued service in the position in the Federal
10 agency from which assigned; and

11 “(2) an assignment of an employee of an other
12 organization or an institution of higher education to
13 a Federal agency, and an employee so assigned,
14 shall be treated in the same way as an assignment

16 Federal agency, and an employee so assigned, is
17 treated under the provisions of this subchapter gov-
18 erning an assignment of an employee of a State or
19 local government to a Federal agency.”.

20 **SEC. 1088. BOSNIA AND HERZEGOVINA.**

21 (a) PURPOSE.—To express the sense of Congress
22 concerning the international efforts to end the conflict in
23 Bosnia and Hercegovina.

24 (b) STATEMENTS.—The Congress makes the follow-
25 ing statements of support:

1 (1) The Congress supports the use of inter-
2 national sanctions in the form of arms and economic
3 embargoes imposed by the United Nations Security
4 Council in appropriate circumstances.

5 (2) The Congress supports the imposition of an
6 arms and economic embargo on the Government of
7 Iraq by United Nations Security Council resolution
8 661 of August 6, 1990 to bring about compliance
9 with a number of conditions, including in particular
10 an end to Iraq's nuclear weapons program.

11 (3) The Congress supports the imposition of an
12 arms, petroleum and economic embargo on Haiti by
13 United Nations Security Council resolutions 875 of
14 October 16, 1993 and 917 of May 17, 1994 to bring
15 about compliance with the Governors Island Agree-
16 ment.

17 (4) The Congress supports the imposition of an
18 arms and civil aircraft embargo on Libya pursuant
19 to United Nations Security Council resolution 748 of
20 March 31, 1992 in order to convince Libya to re-
21 nounce terrorism.

22 (c) FINDINGS.—The Congress makes the following
23 findings:

24 (1) The United States took the lead in the
25 United Nations Security Council to impose inter-

1 national sanctions in the form of arms and economic
2 embargoes on Iraq, Haiti, and Libya.

3 (2) The security of the Republic of Korea with
4 whom the United States has a mutual defense treaty
5 and on whose territory there are more than 38,000
6 members of the United States Armed Forces is a
7 vital interest of the United States.

8 (3) Should negotiations fail, the imposition of
9 sanctions by the United Nations Security Council on
10 North Korea, which would require the affirmative
11 vote or abstention of China, Russia, Britain, and
12 France, may be essential to stop North Korea's nu-
13 clear weapons development program and to end a
14 nuclear threat to the Republic of Korea and South-
15 east Asia.

16 (4) The effective enforcement of sanctions on
17 North Korea, once imposed by the United Nations
18 Security Council, would require the cooperation of
19 China, Russia, and Japan as well as other allies, in-
20 cluding Britain and France, both permanent mem-
21 bers of the United Nations Security Council.

22 (5) The United States voted for the inter-
23 national arms embargo imposed by United Nations
24 Security Council resolution 713 of September 25,
25 1991 that was imposed on Yugoslavia.

1 (6) The imposition of the United Nations arms
2 embargo on September 25, 1991 has not served to
3 end the conflict in Bosnia and Hercegovina, has pro-
4 vided a battlefield advantage to the Bosnian Serbs,
5 who possess artillery, tanks, and other weapons left
6 behind by the former Yugoslav Army or provided by
7 Serbia and Montenegro, and has deprived the Gov-
8 ernment of Bosnia and Hercegovina from acquiring
9 the adequate means of defending itself and its citi-
10 zens.

11 (7) Our NATO allies have committed ground
12 forces to the United Nations Protection Force
13 (UNPROFOR) in former Yugoslavia. At the present
14 time France has 5,518 troops, Britain 3,435, the
15 Netherlands 2,073, Canada 2,037, Turkey 1,696,
16 Spain 1,417, and Belgium 1,000. Our NATO allies
17 have thus far sustained 49 deaths and 936 wounded
18 as a result of their participation in UNPROFOR.

19 (8) For the first time the so-called “contact
20 group” composed of representatives of the United
21 States, Russia, France and Britain is moving toward
22 a unified position of using an incentives and dis-
23 incentives “carrot and stick” strategy to bring about
24 a peaceful settlement of the conflict in Bosnia and
25 Hercegovina.

1 (d) It is the sense of the Congress that the United
2 States should work with the NATO Member nations and
3 the other permanent members of the United Nations Secu-
4 rity Council to endorse the efforts of the contact group
5 to bring about a peaceful settlement of the conflict in
6 Bosnia Hercegovina, including the following:

7 (A) the preservation of an economically, politi-
8 cally and militarily viable Bosnian state capable of
9 exercising its rights under the United Nations Char-
10 ter as part of a peaceful settlement, the lifting of the
11 United Nations arms embargo on the Government of
12 Bosnia and Hercegovina so that it can exercise the
13 inherent right of a sovereign state to self-defense;

14 (B) if the Bosnian Serbs, while the contact
15 group's peace proposal is being considered and dis-
16 cussed, attack the safe areas designated by the Unit-
17 ed Nations Security Council, the partial lifting of
18 the arms embargo on the Government of Bosnia and
19 Hercegovina and the provision to that Government
20 of defensive weapons and equipment appropriate and
21 necessary to defend those safe areas;

22 (C) if the Bosnian Serbs do not respond con-
23 structively to the peace negotiations, the President
24 or his representative shall promptly propose or sup-
25 port a resolution in the United Nations Security

1 Council to terminate the intentional arms embargo
2 on Bosnia and Hercegovina (and the orderly with-
3 drawal of the United Nations Protection Force and
4 humanitarian relief personnel). If the Security Coun-
5 cil fails to pass such a resolution, the President shall
6 within 5 days consult with Congress regarding uni-
7 lateral termination of the arms embargo on the Gov-
8 ernment of Bosnia and Hercegovina.

9 **SEC. 1089. PROVISION OF INTELLIGENCE AND OTHER AS-**
10 **SISTANCE WHERE DRUG TRAFFICKING**
11 **THREATENS NATIONAL SECURITY.**

12 (a) Notwithstanding any other provision of law, it
13 shall not be unlawful for authorized employees or agents
14 of a foreign country to damage, render inoperative, or de-
15 stroy an aircraft in that country's territory or airspace,
16 or to attempt to do so, if that aircraft is reasonably sus-
17 pected to be primarily engaged in illicit narcotics traffick-
18 ing, provided that the President of the United States prior
19 to the actions described in this subparagraph being taken
20 has determined:

21 (1) that such actions are necessary because of
22 the extraordinary threat posed by drug trafficking to
23 the national security of that country, and

24 (2) that the country has appropriate procedures
25 in place to protect against innocent loss of life in the

1 air and on the ground, which shall at a minimum in-
2 clude effective means to identify and warn aircraft
3 prior to the use of force.

4 (b) It shall not be unlawful for authorized employees
5 or agents of the United States to provide assistance, in-
6 cluding but not limited to operational, intelligence,
7 logistical, technical and administration assistance, for the
8 actions of foreign countries set forth in subsection (a), nor
9 shall the provision of such assistance give rise to any civil
10 action seeking money damages or any other form of relief
11 against the United States or its agents or employees.

5 Chapter 903 of title 10, United States Code, is amended
6 by adding at the end the following new section:

7 **“§ 9356. Administration of athletics program**

1 **SEC. 1091. REVIEW OF THE BOTTOM UP REVIEW AND THE**
2 **FUTURE YEAR DEFENSE PROGRAM AND ES-**
3 **TABLISHMENT OF NEW FUNDING REQUIRE-**
4 **MENTS AND PRIORITIES.**

5 (a) FINDINGS.—Congress finds as follows:

6 (1) Whereas the Administration commissioned
7 the Bottom Up Review to properly structure the
8 Armed Forces of the United States for the Post-
9 Cold War Era;

10 (2) Whereas the Secretary of Defense has testi-
11 fied that the Department of Defense's Future Years
12 Defense Program includes \$20 billion more in pro-
13 gram funding requests during fiscal years 1996
14 through 1999 than the defense funding levels in the
15 Administration's budget can support;

16 (3) Whereas, the Secretary of the Navy has tes-
17 tified that the Department of the Navy will only op-
18 erate 330 ships rather than the 346 ships required
19 by the Bottom Up Review;

20 (4) Whereas, in January 1994, in his Annual
21 Report to the President and the Congress, the Sec-
22 retary of Defense reported that the Air Force will
23 field approximately 100 heavy bombers rather than
24 the 184 required by the Bottom Up Review;

25 (5) Whereas the Department of Defense's plans
26 for a major regional contingency in the Far East

1 call for 5 Army divisions and the plans for a major
2 regional contingency in Southwest Asia call for 7
3 Army divisions, while the Bottom Up Review plans
4 for an Army of only 10 active divisions;

5 (6) Whereas the Administration's budget as-
6 sumes the Department of Defense will save at least
7 \$6 billion from procurement reform;

8 (7) Whereas the first and second rounds of the
9 Base Realignment and Closure Commission have not
10 yet achieved the level of savings initially estimated,
11 and the 1995 base closure round may cost signifi-
12 cantly more than is assumed in the Administration's
13 budget.

14 (b) SENSE OF CONGRESS.—It is the Sense of Con-
15 gress:

16 (1) that within 30 days after enactment of this
17 legislation, the Secretary of Defense should initiate
18 a review of the assumptions and conclusions of the
19 President's Budget, the Bottom Up Review, and the
20 Future Years Defense Program; and that not more
21 than 180 days after the review is initiated the Sec-
22 retary of Defense should submit to the President
23 and to the Congress a report detailing the force
24 structure required for an effective defense of the
25 United States and its vital national interests;

1 (2) and that not more than 60 days after re-
2 ceipt of the report described in subsection (b)(1), the
3 President should submit to the Congress a report
4 detailing the steps the President will take to meet
5 the force structure described in subsection (b)(1);

6 (3) and that the fiscal year 1996 budget sub-
7 mitted to the Congress by the President should re-
8 flect the funding level necessary to support the force
9 structure described in subsection (b)(1).

10 **SEC. 1092. GENOCIDE IN RWANDA.**

11 (a) FINDINGS.—The Congress finds that—

12 (1) since April 6, 1994, elements of the Rwan-
13 dan government forces, and their allied militias,
14 have organized the massacres of more than 200,000
15 Rwandan civilians, of both Tutsi and Hutu ethnic
16 origin;

17 (2) an estimated 2 million Rwandans have been
18 internally displaced, and at least 500,000 have fled
19 to neighboring countries;

20 (3) on April 26, 1994, the Senate agreed to

1 **SEC. 1097. NORTH ATLANTIC TREATY ORGANIZATION.**

2 (a) FINDINGS.—The Congress makes the following
3 findings:

4 (1) The North Atlantic Treaty Organization
5 has served as a bulwark of peace, security, and de-
6 mocracy for the United States and the members of
7 the alliance since 1949.

8 (2) The unswerving resolve of the member
9 states of the North Atlantic Treaty Organization to
10 mutual defense against the threat of communist ag-
11 gression was central to the demise of the Warsaw
12 Pact.

13 (3) The North Atlantic Treaty Organization is
14 the most successful international security organiza-
15 tion in history, and is well suited to help marshal
16 our cooperative political, diplomatic, economic, and
17 humanitarian efforts, buttressed by credible military
18 capability aimed at deterring conflict, and thus con-
19 tributing to international peace and security.

20 (4) The threat of instability in Eastern and
21 Central Europe, as well as in the Southern and
22 Eastern Mediterranean, continues to pose a fun-
23 damental challenge to the interests of the member
24 states of the North Atlantic Treaty Organization.

25 (5) North Atlantic Treaty Organization assets
26 have been deployed in recent years for more than the

1 territorial defense of alliance members; and the
2 Rome Summit of October 1991 adopted a new strategic
3 concept for the North Atlantic Treaty Organization
4 that entertained the possibility of operations
5 beyond the alliance's self-defense area.

6 (6) In Oslo in July 1992, and in Brussels in
7 December 1992, the alliance embraced the deployment
8 of North Atlantic Treaty Organization forces
9 to peacekeeping operations under the auspices of the
10 United Nations or the Conference on Security and
11 Cooperation in Europe.

12 (7) The North Atlantic Treaty Organization
13 should attempt to cooperate with and seek a mandate
14 from international organizations such as the
15 United Nations when considering responses to out of
16 area crises.

17 (8) Not all members of the international community
18 share a commonality of interests that would
19 ensure timely action by the United Nations Security
20 Council.

21 (9) The security interests of the member countries
22 of the North Atlantic Treaty Organization
23 must not be held hostage to indecision at the United
24 Nations or a veto by a permanent member of the Security
25 Council.

1 (b) SENSE OF CONGRESS.—It is the sense of the
2 Congress that—

3 (1) it should be the policy of the United States
4 that, in accordance with article 53 of the United Na-
5 tions Charter, the North Atlantic Treaty Organiza-
6 tion retains the right of autonomy of action regard-
7 ing missions in addition to collective defense should
8 the United Nations Security Council or the Con-
9 ference on Security and Cooperation in Europe fail
10 to act;

11 (2) while it is desirable to work with other
12 international organizations and arrangements where
13 feasible in dealing with threats to the peace, the
14 North Atlantic Treaty Organization is not an auxil-
15 iary to the United Nations or any other organiza-
16 tion; and

17 (3) the member states of the North Atlantic
18 Treaty Organization reserve the right to act collec-
19 tively in defense of their vital interests.

20 **SEC. 1098. LIMITATION ON OBLIGATION OF FUNDS FOR**
21 **MARK-6 GUIDANCE SETS FOR TRIDENT II**
22 **MISSILES.**

23 (a) LIMITATION.—Until the certification in sub-
24 section (b) has been provided to the congressional defense
25 committees, funds appropriated for fiscal year 1995 for

1 the Navy may not be obligated to procure more than 14
2 Mark-6 guidance sets for Trident II missiles.

3 (b) CERTIFICATION.—Before the Secretary of De-
4 fense may obligate funds for Mark-6 guidance sets in ad-
5 dition to the 14 sets authorized in subsection (a), he shall
6 certify to the congressional defense committees that fail-
7 ure to procure such additional units would pose an unac-
8 ceptable risk to the long-term readiness and reliability of
9 the Trident II missile program.

10 **SEC. 1099. MILITARY PLANNING FOR THE SIZE AND STRUC-**
11 **TURE OF A FORCE REQUIRED FOR A MAJOR**
12 **REGIONAL CONTINGENCY ON THE KOREAN**
13 **PENINSULA.**

14 (a) FINDINGS.—Congress finds as follows:

15 (1) Whereas the Administration commissioned
16 the Bottom-Up Review to properly size and struc-
17 ture the Armed Forces of the United States for the
18 Post-Cold-War Era;

19 (2) Whereas the Bottom-Up Review itself cites
20 the need for the Armed Forces of the United States
21 to be large enough to prevail in two major regional
22 conflicts, similar in nature to the 1991 war against
23 Iraq, “nearly simultaneously”;

24 (3) Whereas the Bottom-Up Review gives spe-
25 cial consideration to a scenario that hypothesizes

1 that the two “nearly simultaneous” conflicts would
2 occur in Korea and the Persian Gulf;

3 (4) Whereas the United States sent 7 Army di-
4 visions, the equivalent of 10 Air Force tactical fight-
5 er wings, 70 heavy bombers, 6 Navy aircraft carrier
6 battle groups, and 5 Marine Corps brigades to the
7 Persian Gulf to fight the war against Iraq;

8 (5) Whereas the Bottom-Up Review asserts
9 that the forces needed to fight two conflicts similar
10 to that with Iraq can be drawn from a total military
11 force of between 15 and 16 Army divisions, 20 Air
12 Force tactical fighter wings, 184 heavy bombers, 11
13 active Navy aircraft carriers (along with one reserve/
14 training carrier), and the equivalent of 12 Marine
15 Corp brigades;

16 (6) Whereas the Bottom-Up Review recognizes
17 that approximately 100,000 members of the United
18 States Armed Forces will be stationed in Europe;

19 (7) Whereas the Bottom-Up Review recognizes
20 that sizeable numbers of United States forces could
21 be involved in peace enforcement and intervention
22 operations at any one time;

23 (8) Whereas the Bottom-Up Review makes no
24 specific recommendation as to the number of forces
25 to be held in reserve to provide a rotation base ei-

1 ther to relieve troops in the event one or both hypo-
2 thetical conflicts result in lengthy deployments or to
3 replace combat losses;

4 (9) Whereas military planners calculate that the
5 number of United States forces needed to help de-
6 feat an invasion of South Korea by North Korea
7 may exceed 430,000 United States military person-
8 nel;

9 (10) Whereas the size of the force military
10 planners may request to help defend South Korea
11 could exceed the levels that are consistent with the
12 recommendations of Bottom-Up Review if the exist-
13 ing and future force requirements for a presence in
14 Europe, possible peace enforcement operations, and
15 an adequate rotation base, as well as a second re-
16 gional conflict, must be fulfilled simultaneously.

17 (b) SENSE OF CONGRESS.—It is the Sense of Con-
18 gress:

19 (1) that the force structure identified in the
20 Bottom-Up Review may not be used to limit the size
21 or structure of the force United States military com-
22 manders may request in preparation for a major re-
23 gional contingency on the Korean peninsula;

24 (2) and that the Chairmen and Ranking Mem-
25 bers of the House and Senate Committees on Armed

1 Services and Chairmen and Ranking members of the
2 House and Senate Appropriations Subcommittees on
3 Defense should receive regular briefings from the
4 Department of Defense of the situation on the Ko-
5 rean peninsula;

6 (3) and that the conclusions of the Bottom-Up
7 Review should be continuously examined in light of
8 the lessons learned from preparation for a major re-
9 gional contingency on the Korean peninsula and
10 from other military operations.

Passed the Senate July 1 (legislative day, June 7),
1994.

Attest:

Secretary.
