RESOLUTION

Expressing the sense of the House of Representatives that the United States Postal Service should issue a postage stamp commemorating the Fisk Jubilee Singers.

Whereas the Fisk School was designed by its founders to be an educational institution open to all, regardless of race or age;

Whereas the Fisk School was incorporated as Fisk University in 1867;

Whereas funding for the opening of the school was secured through the sale of slave paraphernalia;

Whereas in 1871, a group of students at Fisk University formed a choral group, the Fisk Jubilee Singers, with the goal of raising money to finance the institution;

Whereas in that same year, the Fisk Jubilee Singers took all the funds in the University treasury with them for travel expenses and set off on a tour of the United States and Europe;

Whereas during their first tour, the Jubilee Singers raised enough money to preserve their university and pay for the construction of Jubilee Hall, the South's first permanent structure built for the education of black students;

Whereas the Jubilee Singers introduced the world to the spiritual as a musical genre, emerging as the first internationally recognized group of African American musicians; and

Whereas the Fisk Jubilee Singers continue to tour and perform and have received countless awards and honors:
Now, therefore, be it
