Whereas Congress has the authority to establish post offices and post roads under clause 7 of section 8 of article I of the Constitution of the United States;

Whereas the United States Postal Service is a self-sustaining, independent establishment that relies on revenue derived

from the sale of postal services and products, not on taxpayer funds;

Whereas the United States Postal Service is the second largest employer of veterans in the United States;

Whereas the employees of the United States Postal Service—

(1) are dedicated public servants who do more than process and deliver the mail of the people of the United States; and

(2) serve as the eyes and ears of the communities of the United States and often respond first in situations involving health, safety, and crime in those communities; and

Whereas the privatization of the United States Postal Service would—

(2) jeopardize the booming e-commerce sector; and

(3) cripple a major part of the critical infrastructure of the United States: Now, therefore, be it
