

116TH CONGRESS
1ST SESSION

H. R. 3001

To reestablish the Office of Noise Abatement and Control in the Environmental Protection Agency, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 23, 2019

Ms. MENG (for herself, Mrs. NAPOLITANO, Ms. SCHAKOWSKY, Ms. NORTON, Ms. MOORE, Mr. ROUDA, Ms. LEE of California, Mr. LYNCH, Ms. SPEIER, Mr. SUOZZI, Mr. GALLEGOS, Mr. LIPINSKI, Ms. BROWNLEY of California, Miss RICE of New York, Mr. RUPPERSBERGER, Mr. CASE, Mr. FITZPATRICK, Mr. RASKIN, Mrs. LOWEY, Ms. JAYAPAL, Mr. SARBANES, Mr. BEYER, Mr. SHERMAN, Mr. PETERS, Mr. TED LIEU of California, Ms. JUDY CHU of California, Ms. CLARKE of New York, Mr. BROWN of Maryland, Ms. CLARK of Massachusetts, and Mr. ESPAILLAT) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To reestablish the Office of Noise Abatement and Control in the Environmental Protection Agency, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Quiet Communities
3 Act of 2019”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that:

6 (1) Approximately 28,000,000 Americans are
7 afflicted with some hearing loss and it has been esti-
8 mated that 10,000,000 of these impairments are at
9 least partially attributable to damage from exposure
10 to noise.

11 (2) For millions of Americans, noise from air-
12 craft, vehicular traffic, and a variety of other
13 sources is a constant source of torment. Millions of
14 Americans are exposed to noise levels that can lead
15 to sleep loss, psychological and physiological damage,
16 and work disruption.

17 (3) Chronic exposure to noise has been linked
18 to increased risk of cardiovascular disorders, learn-
19 ing deficits in children, stress, and diminished qual-
20 ity of life.

21 (4) Excessive noise leading to sleep deprivation
22 and task interruptions can result in untold costs on
23 society in diminished worker productivity.

24 (5) Pursuant to authorities granted under the
25 Clean Air Act of 1970, the Noise Control Act of
26 1972, and the Quiet Communities Act of 1978, the

1 Environmental Protection Agency established an Of-
2 fice of Noise Abatement and Control. Its responsibil-
3 ties included promulgating noise emission stand-
4 ards, requiring product labeling, facilitating the de-
5 velopment of low emission products, coordinating
6 Federal noise reduction programs, assisting State
7 and local abatement efforts, and promoting noise
8 education and research. However, funding for the
9 Office of Noise Abatement and Control was termi-
10 nated in 1982 and no funds have been provided
11 since.

12 (6) Because the Environmental Protection
13 Agency remains legally responsible for enforcing reg-
14 ulations issued under the Noise Control Act of 1972
15 even though funding for these activities were termi-
16 nated, and because the Noise Control Act of 1972
17 prohibits State and local governments from regu-
18 lating noise sources in many situations, noise abate-
19 ment programs across the country lie dormant.

20 (7) As population growth and air and vehicular
21 traffic continue to increase, noise pollution is likely
22 to become an even greater problem in the future.
23 The health and welfare of our citizens demands that
24 the Environmental Protection Agency, the lead Fed-
25 eral agency for the protection of public health and

1 welfare, once again assume a role in combating noise
2 pollution.

3 **SEC. 3. REESTABLISHMENT OF OFFICE OF NOISE ABATE-
4 MENT AND CONTROL.**

5 (a) REESTABLISHMENT.—The Administrator of the
6 Environmental Protection Agency shall reestablish within
7 the Environmental Protection Agency an Office of Noise
8 Abatement and Control.

9 (b) DUTIES.—The responsibilities of the Office in-
10 clude the following:

11 (1) To promote the development of effective
12 State and local noise control programs by providing
13 States with technical assistance and grants to de-
14 velop the programs, including the purchase of equip-
15 ment for local communities.

16 (2) To carry out a national noise control re-
17 search program to assess the impacts of noise from
18 varied noise sources on mental and physical health.

19 (3) To carry out a national noise environmental
20 assessment program to identify trends in noise expo-
21 sure and response, ambient levels, and compliance
22 data and to determine the effectiveness of noise
23 abatement actions, including actions for areas
24 around major transportation facilities (such as high-
25 ways, railroad facilities, and airports).

18 (c) PREFERRED APPROACHES.—In carrying out its
19 duties under this section, the Office shall emphasize noise
20 abatement approaches that rely on local and State activi-
21 ties, market incentives, and coordination with other public
22 and private agencies.

23 (d) STUDY.—

24 (1) IN GENERAL.—Using funds made available
25 to the Office, the Administrator shall carry out a

1 study of airport noise. The Administrator shall carry
2 out the study by entering into contracts or other
3 agreements with independent scientists with exper-
4 tise in noise measurements, noise effects, and noise
5 abatement techniques to conduct the study.

6 (2) CONTENTS.—The study shall examine the
7 selection of noise measurement methodologies by the
8 Federal Aviation Administration, the threshold of
9 noise at which health impacts are felt, and the effec-
10 tiveness of noise abatement programs at airports
11 around the Nation.

12 (3) REPORT.—Not later than 24 months after
13 the date of enactment of this Act, the Administrator
14 shall transmit to Congress a report on the results of
15 the study, together with specific recommendations
16 on new measures that can be implemented to miti-
17 gate the impact of aircraft noise on surrounding
18 communities.

19 **SEC. 4. GRANTS UNDER QUIET COMMUNITIES PROGRAM.**

20 Section 14(c)(1) of the Noise Control Act of 1972
21 (42 U.S.C. 4913(c)(1)) is amended—

22 (1) by striking “and” at the end of subpara-
23 graph (C); and

24 (2) by adding at the end the following:

1 “(E) establishing and implementing train-
2 ing programs on use of noise abatement equip-
3 ment; and

4 “(F) implementing noise abatement
5 plans;”.

6 **SEC. 5. AUTHORIZATION OF APPROPRIATIONS.**

7 There is authorized to be appropriated for each of
8 fiscal years 2020 through 2024 \$21,000,000 for activities
9 of the Office of Noise Abatement and Control reestab-
10 lished under section 3.
