The allocation among such governments of such remaining costs shall be determined by agreement among them and shall be provided in the manner hereinafter specified.

40 USC 664.

“Plan of Financing

“17. (a) The Authority, in conformance with said policy, shall prepare and adopt a plan for financing the construction, acquisition, and

operation of facilities specified in a mass transit plan adopted pursuant to Article VI hereof, or in any alteration, revision or amendment thereof. Such plan of financing shall specify the facilities to be constructed or acquired, the cost thereof, the principal amount of revenue bonds, equipment trust certificates, and other evidences of debt proposed to be issued, the principal terms and provisions of all loans and underlying agreements and indentures, estimated operating expenses and revenues, and the proposed allocation among the federal, District of Columbia, and participating local governments of the remaining costs and deficits, if any, and such other information as the Commission may consider appropriate.

“(b) Such plan of financing shall constitute a proposal to the interested governments for financial participation and shall not impose any obligation on any government and such obligations shall be created only as provided in Section 18 of this Article VII.

“Commitments for Financial Participation

“18. (a) Commitments on behalf of the portion of the Zone located in Virginia shall be by contract or agreement by the Authority with the Northern Virginia Transportation District, or its component governments, as authorized in the Transportation District Act of 1964 (Ch. 631, 1964 Acts of Virginia Assembly), to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or any alteration, revision or amendment thereof, and for meeting expenses and obligations in the operation of such facilities. No such contract or agreement, however, shall be entered into by the Authority with the Northern Virginia Transportation District unless said District has entered into the contracts or agreements with its member governments, as contemplated by Section 1(b)(4) of Article 4 of said Act, which contracts or agreements expressly provide that such contracts or agreements shall inure to the benefit of the Authority and shall be enforceable by the Authority in accordance with the provisions of Section 2, Article 5 of said Act, and such contracts or agreements are acceptable to the Board. “(c) With respect to the District of Columbia and the federal government, the commitment or obligation to render financial assistance shall be created by appropriation or in such other manner, or by such other legislation, as the Congress shall determine. If prior to making such commitment by or on behalf of the District of Columbia, legislation is enacted by the Congress granting the governing body of the District of Columbia plenary power to create obligations and levy taxes, the commitment by the District of Columbia shall be by contract or agreement between the governing body of

the District of Columbia and the Authority, pursuant to which the Authority undertakes, subject to the provisions of Section 20 hereof, to provide transit facilities and service in consideration for the undertaking by the District of Columbia to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or in any alteration, revision or amendment thereof, and for meeting expenses and obligations incurred in the operation of such facilities.

Such expenses shall be allocated among such governments on the basis of population as reflected by the latest available population statistics of the Bureau of the Census; provided, however, that upon the request of any Director the Board shall make the allocation upon estimates of population acceptable to the Board. The allocations shall be made by the Board and shall be included in the annual current expense budget prepared by the Board.

Such acquisition shall be made upon such terms and conditions as may be agreed upon and subject to such authorization or approval by the Congress and the governing body of the District of Columbia, as may be required; provided, however, that if such acquisition imposes or may impose any further or additional obligation or liability upon the Washington Suburban Transit District, the Northern Virginia Transportation District, or any component government thereof, under any contract with the Authority, the Authority shall not make such acquisition until any such affected contract has been appropriately amended.

“(b) For such purpose, the Authority is authorized to assume all liabilities and contracts relating thereto, to assume responsibility as primary obligor, endorser or guarantor on any outstanding revenue bonds, equipment trust certificates or other form of indebtedness authorized in this Act issued by such predecessor agency or agencies and, in connection therewith, to become a party to, and assume the obligations of, any indenture or loan agreement underlying or issued in connection with any outstanding securities or debts.

“Temporary Borrowing

“21. The Board may borrow, in anticipation of receipts, from any signatory, the Washington Suburban Transit District, the Northern

Virginia Transportation District, or any component government thereof, or from any lending institution for any purposes of this Title, including administrative expenses. Such loans shall be for a term not to exceed two years and at a rate of interest not to exceed six percent per annum. The signatories and any such political subdivision or agency may, in its discretion, make such loans from any available money.

“Funding

“22. The Board shall not construct or acquire any of the transit facilities specified in a mass transit plan adopted pursuant to the provisions of Article VI of this Title, or in any alteration, revision or amendment thereof, nor make any commitments or incur any obligations with respect thereto until funds are available therefor.

Such budget shall include the Board's estimated expenditures for administration, operation, maintenance and repairs, debt service requirements and payments to be made into any funds required to be maintained. The total of such expenses shall be balanced by the Board's estimated revenues and receipts from all sources, excluding funds included in the capital budget or otherwise earmarked for other purposes.

“Adoption and Distribution of Budgets

“25. (a) Following the adoption by the Board of annual capital and current expense budgets, the general manager shall transmit certified copies of such budgets to the principal budget officer of the federal government, the District of Columbia, the Washington Suburban Transit District and of the component governments of the Northern Virginia Transportation Commission at such time and in such manner as may be required under their respective budgetary procedures.

“(b) Each budget shall indicate the amounts, if any, required from the federal government, the Government of the District of Columbia, the Washington Suburban Transit District and the component governments of the Northern Virginia Transportation District, determined in accordance with the commitments made pursuant to Article VII, Section 18 of this Title, to balance each of said budgets.

“Payments

“26. Subject to such review and approval as may be required by their budgetary or other applicable processes, the federal government, the Government of the District of Columbia, the Washington Sub-

urban Transit District and the component governments of the Northern Virginia Transportation District shall include in their respective budgets next to be adopted and appropriate or otherwise provide the amounts certified to each of them as set forth in the budgets.

“ARTICLE IX

“REVENUE BONDS

“Borrowing Power

“27. The Authority may borrow money for any of the purposes of this Title, may issue its negotiable bonds and other evidences of indebtedness in respect thereto and may mortgage or pledge its properties, revenues and contracts as security therefor.

“All such bonds and evidences of indebtedness shall be payable solely out of the properties and revenues of the Authority. The bonds and other obligations of the Authority, except as may be otherwise provided in the indenture under which they were issued, shall be direct and general obligations of the Authority and the full faith and credit of the Authority are hereby pledged for the prompt payment of the debt service thereon and for the fulfillment of all other undertakings of the Authority assumed by it to or for the benefit of the holders thereof.

“28. The purposes of this Title shall include, without limitation, all costs of any project or facility or any part thereof, including interest during a period of construction and for a period not to exceed two years thereafter and any incidental expenses (legal, engineering, fiscal, financial, consultant and other expenses) connected with issuing and disposing of the bonds; all amounts required for the creation of an operating fund, construction fund, reserve fund, sinking fund, or other special fund; all other expenses connected with administration, the planning, design, acquisition, construction, completion, improvement or reconstruction of any facility or any part thereof; and reimbursement of advances by the Board or by others for such purposes and for working capital.

“Credit Excluded; Officers, State, Political Subdivisions and Agencies

“29. The Board shall have no power to pledge the credit of any signatory party, political subdivision or agency thereof, or to impose any obligation for payment of the bonds upon any signatory party, political subdivision or agency thereof, but may pledge the contracts of such governments and agencies; provided, however, that the bonds may be underwritten in whole or in part as to principal and interest by the United States, or by any political subdivision or agency of any signatory; provided, further, that any bonds underwritten in whole or in part as to principal and interest by the United States shall not be issued without approval of the Secretary of the Treasury. Neither the Directors nor any person executing the bonds shall be liable personally on the bonds of the Authority or be subject to any personal liability or accountability by reason of the issuance thereof.

“Funding and Refunding

“30. Whenever the Board deems it expedient, it may fund and refund the bonds and other obligations of the Authority whether or

It may provide for the issuance, sale or exchange of refunding bonds for the purpose of redeeming or retiring any bonds (including the payment of any premium, duplicate interest or cash adjustment required in connection therewith) issued by the Authority or issued by any other issuing body, the proceeds of the sale of which have been applied to any facility acquired by the Authority or which are payable out of the revenues of any facility acquired by the Authority. Bonds may be issued partly to refund bonds and other obligations then outstanding, and partly for any other purpose of the Authority. All provisions of this Title applicable to the issuance of bonds are applicable to refunding bonds and to the issuance, sale or exchange thereof.

“Bonds; Authorization Generally

“31. Bonds and other indebtedness of the Authority shall be authorized by resolution of the Board. The validity of the authorization and issuance of any bonds by the Authority shall not be dependent upon nor affected in any way by: (i) the disposition of bond proceeds by the Board or by contract, commitment or action taken with respect to such proceeds; or (ii) the failure to complete any part of the project for which bonds are authorized to be issued. The Authority may issue bonds in one or more series and may provide for one or more consolidated bond issues, in such principal amounts and with such terms and provisions as the Board may deem necessary. The bonds may be secured by a pledge of all or any part of the property, revenues and franchises under its control. Bonds may be issued by the Authority in such amount, with such maturities and in such denominations and form or forms, whether coupon or registered, as to principal alone or as to both principal and interest, as may be determined by the Board. The Board may provide for redemption of bonds prior to maturity on such notice and at such time or times and with such redemption provisions, including premiums, as the Board may determine.

“Bonds; Resolutions and Indentures Generally

“32. The Board may determine and enter into indentures or adopt resolutions providing for the principal amount, date or dates, maturities, interest rate, or rates, denominations, form, registration, transfer, interchange and other provisions of the bonds and coupons and the terms and conditions upon which the same shall be executed, issued, secured, sold, paid, redeemed, funded and refunded. The resolution of the Board authorizing any bond or any indenture so authorized under which the bonds are issued may include all such covenants and other provisions not inconsistent with the provisions of this Title, other than any restriction on the regulatory powers vested in the Board by this Title, as the Board may deem necessary or desirable for the issue, payment, security, protection or marketing of the bonds, including without limitation covenants and other provisions as to the rates or amounts of fees, rents and other charges to be charged or made for use of the facilities; the use, pledge, custody, securing, application and disposition of such revenues, of the proceeds of the bonds, and of any other moneys or contracts of the Authority; the operation, maintenance, repair and reconstruction of the facilities and the amounts which may be expended therefor; the sale, lease or other disposition of the facilities; the insuring of the facilities and of the revenues derived therefrom; the construction or other acquisition of other facilities; the issuance of additional bonds or other indebtedness; the rights of the bondholders and of any trustee for the bondholders upon

default by the Authority or otherwise; and the modification of the provisions of the indenture and of the bonds. Reference on the face of the bonds to such resolution or indenture by its date of adoption or the apparent date on the face thereof is sufficient to incorporate all of the provisions thereof and of this Title into the body of the bonds and their appurtenant coupons. Each taker and subsequent holder of the bonds or coupons, whether the coupons are attached to or detached from the bonds, has recourse to all of the provisions of the indenture and of this Title and is bound thereby.

“Maximum Maturity

“33. No bond or its terms shall mature in more than fifty years from its own date and in the event any authorized issue is divided into two or more series or divisions, the maximum maturity date herein authorized shall be calculated from the date on the face of each bond separately, irrespective of the fact that different dates may be prescribed for the bonds of each separate series or division of any authorized issue.

“Tax Exemption

“34. All bonds and all other evidences of debt issued by the Authority under the provisions of this Title and the interest thereon shall at all times be free and exempt from all taxation by or under authority of any signatory parties, except for transfer, inheritance and estate taxes.

“Interest

“35. Bonds shall bear interest at a rate of not to exceed six percent per annum, payable annually or semiannually.

“Place of Payment

“36. The Board may provide for the payment of the principal and interest of bonds at any place or places within or without the signatory states, and in any specified lawful coin or currency of the United States of America.

“Execution

“37. The Board may provide for the execution and authentication of bonds by the manual, lithographed or printed facsimile signature of members of the Board, and by additional authentication by a trustee or fiscal agent appointed by the Board; provided, however, that one of such signatures shall be manual. If any of the members whose signatures or countersignatures appear upon the bonds or coupons cease to be members before the delivery of the bonds or coupons, their signatures or countersignatures are nevertheless valid and of the same force and effect as if the members had remained in office until the delivery of the bonds and coupons.

“Holding Own Bonds

“38. The Board shall have power out of any funds available therefor to purchase its bonds and may hold, cancel or resell such bonds.

“Sale

“39. The Board may fix terms and conditions for the sale or other disposition of any authorized issue of bonds. The Board may sell

bonds at less than their par or face value but no issue of bonds may be sold at an aggregate price below the par or face value thereof if such sale would result in a net interest cost to the Authority calculated upon the entire issue so sold of more than six percent per annum payable semiannually, according to standard tables of bond values. All bonds issued and sold pursuant to this Title may be sold in such manner, either at public or private sale, as the Board shall determine.

“Negotiability

“40. All bonds issued under the provisions of this Title are negotiable instruments.

“Bonds Eligible for Investment and Deposit

“41. Bonds issued under the provisions of this Title are hereby made securities in which all public officers and public agencies of the signatories and their political subdivisions and all banks, trust companies, savings and loan associations, investment companies and others carrying on a banking business, all insurance companies and insurance associations and others carrying on an insurance business, all administrators, executors, guardians, trustees and other fiduciaries, and all other persons may legally and properly invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any officer of any signatory, or of any agency or political subdivision of any signatory, for any purpose for which the deposit of bonds or other obligations of such signatory is now or may hereafter be authorized by law.

“Validation Proceedings

“42. Prior to the issuance of any bonds, the Board may institute a special proceeding to determine the legality of proceedings to issue the bonds and their validity under the laws of any of the signatory parties. Such proceeding shall be instituted and prosecuted in rem and the final judgment rendered therein shall be conclusive against all persons whomsoever and against each of the signatory parties.

“Recording

“43. No indenture need be recorded or filed in any public office, other than the office of the Board. The pledge of revenues provided in any indenture shall take effect forthwith as provided therein and irrespective of the date of receipt of such revenues by the Board or the indenture trustee. Such pledge shall be effective as provided in the indenture without physical delivery of the revenues to the Board or to the indenture trustee.

“Pledged Revenues

“44. Bond redemption and interest payments shall, to the extent provided in the resolution or indenture, constitute a first, direct and exclusive charge and lien on all revenues received from the use and operation of the facility, and on any sinking or other funds created therefrom. All such revenues, together with interest thereon, shall constitute a trust fund for the security and payment of such bonds and except as and to the extent provided in the indenture with re-

spect to the payment therefrom of expenses for other purposes including administration, operation, maintenance, improvements or extensions of the facilities or other purposes shall not be used or pledged for any other purpose so long as such bonds, or any of them, are outstanding and unpaid.

“Remedies

“45. The holder of any bond may for the equal benefit and protection of all holders of bonds similarly situated: (1) by mandamus or other appropriate proceedings require and compel the performance of any of the duties imposed upon the Board or assumed by it, its officers, agents or employees under the provisions of any indenture, in connection with the acquisition, construction, operation, maintenance, repair, reconstruction or insurance of the facilities, or in connection with the collection, deposit, investment, application and disbursement of the revenues derived from the operation and use of the facilities, or in connection with the deposit, investment and disbursement of the proceeds received from the sale of bonds; or (2) by action or suit in a court of competent jurisdiction of any signatory party require the Authority to account as if it were the trustee of an express trust, or enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the bonds. The enumeration of such rights and remedies does not, however, exclude the exercise or prosecution of any other rights or remedies available to the holders of bonds.

“ARTICLE X

“EQUIPMENT TRUST CERTIFICATES

“Power

“46. The Board shall have power to execute agreements, leases and equipment trust certificates with respect to the purchase of facilities or equipment such as cars, trolley buses and motor buses, or other craft, in the form customarily used in such cases and appropriate to effect such purchase, and may dispose of such equipment trust certificates in such manner as it may determine to be for the best interests of the Authority. Each vehicle covered by an equipment trust certificate shall have the name of the owner or lessor plainly marked upon both sides thereof, followed by the words ‘Owner and Lessor’.

“Payments

“47. All monies required to be paid by the Authority under the provisions of such agreements, leases and equipment trust certificates shall be payable solely from the revenue to be derived from the operation of the transit system or from such grants, loans, appropriations or other revenues, as may be available to the Board under the provisions of this Title. Payment for such facilities or equipment, or rentals thereof, may be made in installments, and the deferred installments may be evidenced by equipment trust certificates as aforesaid, and title to such facilities or equipment may not vest in the Authority until the equipment trust certificates are paid.

“Procedure

“48. The agreement to purchase facilities or equipment by the Board may direct the vendor to sell and assign the equipment to a bank or

trust company, duly authorized to transact business in any of the signatory States, or to the Housing and Home Finance Administrator, as trustee, lessor or vendor, for the benefit and security of the equipment trust certificates and may direct the trustee to deliver the facilities and equipment to one or more designated officers of the Board and may authorize the trustee simultaneously therewith to execute and deliver a lease of the facilities or equipment to the Board.

“Agreements and Leases

“49. The agreements and leases shall be duly acknowledged before some person authorized by law to take acknowledgements of deeds and in the form required for acknowledgement of deeds and such agreements, leases, and equipment trust certificates shall be authorized by resolution of the Board and shall contain such covenants, conditions and provisions as may be deemed necessary or appropriate to insure the payment of the equipment trust certificates from the revenues to be derived from the operation of the transit system and other funds.

“The covenants, conditions and provisions of the agreements, leases and equipment trust certificates shall not conflict with any of the provisions of any resolution or trust agreement securing the payment of bonds or other obligations of the Authority then outstanding or conflict with or be in derogation of the rights of the holders of any such bonds or other obligations.

“Law Governing

“50. The equipment trust certificates issued hereunder shall be governed by Laws of the District of Columbia and for this purpose the chief place of business of the Authority shall be considered to be the District of Columbia. The filing of any documents required or permitted to be filed shall be governed by the Laws of the District of Columbia.

“ARTICLE XI

“OPERATION OF FACILITIES

“Operation by Contract or Lease

“51. The Authority shall not perform transit service, nor any of the functions, such as maintenance of equipment and right of way normally associated with the providing of such service, with any transit facilities owned or controlled by it but shall provide for the performance of transit service with such facilities by contract or contracts with private transit companies, private railroads, or other persons. Any facilities and properties owned or controlled by the Authority, other than those utilized in performing transit service, may be operated by the Authority or by others pursuant to contract or lease as the Board may determine. All operations of such facilities and properties by the Authority and by its Contractor and lessees shall be within the Zone.

“The Operating Contract

“52. Without limitation upon the right of the Board to prescribe such additional terms and provisions as it may deem necessary and appropriate, the operating contract shall;

“(a) specify the services and functions to be performed by the Contractor;

“(b) provide that the Contractor shall hire, supervise and control all personnel required to perform the services and functions assumed by it under the operating contract and that all such personnel shall be employees of the Contractor and not of the Authority;

“(c) require the Contractor to assume the obligations of the labor contract or contracts of any transit company which may be acquired by the Authority and assume the pension obligations of any such transit company;

“(d) require the Contractor to comply in all respects with the labor policy set forth in Article XIV of this Title;

“(e) provide that no transfer of ownership of the capital stock, securities or interests in any Contractor, whose principal business is the operating contract, shall be made without written approval of the Board and the certificates or other instruments representing such stock, securities or interests shall contain a statement of this restriction;

“(f) provide that the Board shall have the sole authority to determine the rates or fares to be charged, the routes to be operated and the service to be furnished;

“(g) specify the obligations and liabilities which are to be assumed by the Contractor and those which are to be the responsibility of the Authority;

“(h) provide for an annual audit of the books and accounts of the Contractor by an independent certified public accountant to be selected by the Board and for such other audits, examinations and investigations of the books and records, procedures and affairs of the Contractor at such times and in such manner as the Board shall require, the cost of such audits, examinations and investigations to be borne as agreed by the parties in the operating contract; and

“(i) provide that no operating contract shall be entered into for a term in excess of five years; provided, that any such contract may be renewed for successive terms, each of which shall not exceed five years. Any such operating contract shall be subject to termination by the Board for cause only.

“Compensation for Contractor

“53. Compensation to the Contractor under the operating contract may, in the discretion of the Board, be in the form of (1) a fee paid by the Board to the Contractor for services, (2) a payment by the Contractor to the Board for the right to operate the system, or (3) such other arrangement as the Board may prescribe; provided, however, that the compensation shall bear a reasonable relationship to the benefits to the Authority and to the estimated costs the Authority would incur in directly performing the functions and duties delegated under the operating contract; and provided, further, that no such contract shall create any right in the Contractor (1) to make or change any rate or fare or alter or change the service specified in the contract to be provided or (2) to seek judicial relief by any form of original action, review or other proceedings from any rate or fare or service prescribed by the Board. Any assertion, or attempted assertion, by the Contractor of the right to make or change any rate or fare or service prescribed by the Board shall constitute cause for termination of the operating contract. The operating contract may provide incentives for efficient and economical management.

“Selection of Contractor

“54. The Board shall enter into an operating contract only after formal advertisement and negotiations with all interested and quali-

fied parties, including private transit companies rendering transit service within the Zone; provided, however, that, if the Authority acquires transit facilities from any agency of the federal or District of Columbia governments, in accordance with the provisions of Article VII, Section 20 of this Title, the Authority shall assume the obligations of any operating contract which the transferor agency may have entered into.

“ARTICLE XII

“COORDINATION OF PRIVATE AND PUBLIC FACILITIES

“Declaration of Policy

“55. It is hereby declared that the interest of the public in efficient and economical transit service and in the financial well-being of the Authority and of the private transit companies requires that the public and private segments of the regional transit system be operated, to the fullest extent possible, as a coordinated system without unnecessary duplicating service.

“Implementation of Policy

“56. In order to carry out the legislative policy set forth in Section 55 of this Article XII

“(a) The Authority—

“(1) except as herein provided, shall not, directly or through a Contractor, perform transit service by bus or similar motor vehicles;

“(2) shall, in cooperation with the private carriers and WMATC, coordinate to the fullest extent practicable, the schedules for service performed by its facilities with the schedules for service performed by private carriers; and

“(3) shall enter into agreements with the private carriers to establish and maintain, subject to approval by WMATC, through routes and joint fares and provide for the division thereof, or, in the absence of such agreements, establish and maintain through routes and joint fares in accordance with orders issued by WMATC directed to the private carriers when the terms and conditions for such through service and joint fares are acceptable to it.

“(b) The WMATC, upon application, complaint, or upon its own motion, shall—

“(1) direct private carriers to coordinate their schedules for service with the schedules for service performed by facilities owned or controlled by the Authority;

“(2) direct private carriers to improve or extend any existing services or provide additional service over additional routes;

“(3) authorize a private carrier, pursuant to agreement between said carrier and the Authority, to establish and maintain through routes and joint fares for transportation to be rendered with facilities owned or controlled by the Authority if, after hearing held upon reasonable notice, WMATC finds that such through routes and joint fares are required by the public interest; and

“(4) in the absence of such an agreement with the Authority, direct a private carrier to establish and maintain through routes and joint fares with the Authority, if, after hearing held upon reasonable notice, WMATC finds that such through service and joint

fares are required by the public interest; provided, however, that no such order, rule or regulation of WMATC shall be construed to require the Authority to establish and maintain any through route and joint fare.

"(c) WMATC shall not authorize or require a private carrier to render any service, including the establishment or continuation of a joint fare for a through route service with the Authority which is based on a division thereof between the Authority and private carrier which does not provide a reasonable return to the private carrier, unless the carrier is currently earning a reasonable return on its operation as a whole in performing transportation subject to the jurisdiction of WMATC. In determining the issue of reasonable return, WMATC shall take into account any income attributable to the carrier, or to any corporation, firm or association owned in whole or in part by the carrier, from the Authority whether by way of payment for services or otherwise.

"(d) If the WMATC is unable, through the exercise of its regulatory powers over the private carriers granted in paragraph (b) hereof or otherwise, to bring about the requisite coordination of operations and service between the private carriers and the Authority, the Authority may in the situations specified in paragraph (b) hereof, cause such transit service to be rendered by its Contractor by bus or other motor vehicle, as it shall deem necessary to effectuate the policy set forth in Section 55 hereof. In any such situation, the Authority, in order to encourage private carriers to render bus service to the fullest extent practicable, may, pursuant to agreement, make reasonable subsidy payments to any private carrier.

"Rights of Private Carriers Unaffected

"57. Nothing in this Title shall restrict or limit such rights and remedies, if any, that any private carrier may have against the Authority arising out of acts done or actions taken by the Authority hereunder. In the event any court of competent jurisdiction shall determine that the Authority has unlawfully infringed any rights of any private carrier or otherwise caused or permitted any private carrier to suffer legally cognizable injury, damages or harm and shall award a judgment therefor, such judgment shall constitute a lien against any and all of the assets and properties of the Authority.

"Financial Assistance to Private Carriers

"58. (a) The Board may accept grants from and enter into loan agreements with the Housing and Home Finance Administrator, pursuant to the provisions of the Urban Mass Transportation Act of 1964 (78 Stat. 302), or with any successor agency or under any law of similar purport, for the purpose of rendering financial assistance to private carriers.

"(b) An application by the Board for any such grant or loan shall be based on and supported by a report from WMATC setting forth for each private carrier to be assisted (1) the equipment and facilities to be acquired, constructed, reconstructed, or improved, (2) the service proposed to be rendered by such equipment and facilities, (3) the improvement in service expected from such facilities and equipment, (4) how the use of such facilities and equipment will be coordinated with the transit facilities owned by the Authority, (5) the

ability of the affected private carrier to repay any such loans or grants and (6) recommend terms for any such loans or grants.

“(c) Any equipment or facilities acquired, constructed, reconstructed or improved with the proceeds of such grants or loans shall be owned by the Authority and may be made available to private carriers only by lease or other agreement which contain provisions acceptable to the Housing and Home Finance Administrator assuring that the Authority will have satisfactory continuing control over the use of such facilities and equipment.

“ARTICLE XIII

“JURISDICTION; RATES AND SERVICE

“Washington Metropolitan Area Transit Commission

“59. Except as provided herein, this Title shall not affect the functions and jurisdiction of WMATC, as granted by Titles I and II of this Compact, over the transportation therein specified and the persons engaged therein and the Authority shall have no jurisdiction with respect thereto.

“Public Facilities

“60. Service performed by transit facilities owned or controlled by the Authority, and the rates and fares to be charged for such service, shall be subject to the sole and exclusive jurisdiction of the Board and, notwithstanding any other provision in this Compact contained, WMATC shall have no authority with respect thereto, or with respect to any contractor in connection with the operation by it of transit facilities owned or controlled by the Authority. The determinations of the Board with respect to such matters shall not be subject to judicial review nor to the processes of any court.

“Standards

“61. Insofar as practicable, and consistent with the provision of adequate service at reasonable fares, the rates and fares and service shall be fixed by the Board so as to result in revenues which will:

“(a) pay the operating expenses and provide for repairs, maintenance and depreciation of the transit system owned or controlled by the Authority;

“(b) provide for payment of all principal and interest on outstanding revenue bonds and other obligations and for payment of all amounts to sinking funds and other funds as may be required by the terms of any indenture or loan agreement;

“(c) provide for the purchase, lease or acquisition of rolling stock, including provisions for interest, sinking funds, reserve funds, or other funds required for payment of any obligations incurred by the Authority for the acquisition of rolling stock; and

“(d) provide funds for any purpose the Board deems necessary and desirable to carry out the purposes of this Title.

“Hearings

“62. (a) The Board shall not make or change any fare or rate, nor establish or abandon any service except after holding a public hearing with respect thereto.

"(b) Any signatory, any political subdivision thereof, any agency of the federal government and any person, firm or association served by or using the transit facilities of the Authority and any private carrier may file a request with the Board for a hearing with respect to any rates or charges made by the Board or any service rendered with the facilities owned or controlled by the Authority. Such request shall be in writing, shall state the matter on which a hearing is requested and shall set forth clearly the matters and things on which the request relies. As promptly as possible after such a request is filed, the Board, or such officer or employee as it may designate, shall confer with the protestant with respect to the matters complained of. After such conference, the Board, if it deems the matter meritorious and of general significance, may call a hearing with respect to such request.

"(c) The Board shall give at least thirty days' notice for all hearings. The notice shall be given by publication in a newspaper of daily circulation throughout the Zone and such notice shall be published once a week for two successive weeks. The notice shall start with the day of first publication. In addition, the Board shall post notices of the hearing in its offices, all stations and terminals, and in all of its vehicles and rolling stock in revenue service.

"(d) Prior to calling a hearing on any matter specified in this section, the Board shall prepare and file at its main office and keep open for public inspection its report relating to the proposed action to be considered at such hearing. Upon receipt by the Board of any report submitted by WMATC, in connection with a matter set for hearing, pursuant to the provisions of Section 63 of this Article XIII, the Board shall file such report at its main office and make it available for public inspection. For hearings called by the Board pursuant to paragraph (b), above, the Board also shall cause to be lodged and kept open for public inspection the written request upon which the hearing is granted and all documents filed in support thereof.

"Reference of Matters to WMATC

"63. To facilitate the attainment of the public policy objectives for operation of the publicly and privately owned or controlled transit facilities as stated in Article XII, Section 55, prior to the hearings provided for by Section 62 hereof—

"(a) The Board shall refer to WMATC for its consideration and recommendations, any matter which the Board considers may affect the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional transit system and any matter for which the Board has called a hearing, pursuant to Section 62 of this Article XIII, except that temporary or emergency changes in matters affecting service shall not be referred; and

"(b) WMATC, upon such reference of any matter to it, shall give the referred matter preference over any other matters pending before it and shall, as expeditiously as practicable, prepare and transmit its report thereon to the Board. The Board may request WMATC to reconsider any part of its report or to make any supplemental reports it deems necessary. All of such reports shall be advisory only.

"(c) Any report submitted by WMATC to the Board shall consider, without limitation, the probable effect of the matter or proposal upon the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional system, passenger movements, fare structures, service and the impact on the revenues of both the public and private facilities.

“ARTICLE XIV

“LABOR POLICY

“Construction

“64. The Board shall take such action as may be necessary to insure that all laborers and mechanics employed by contractors or subcontractors in the construction, alteration or repair, including painting and decorating, of projects, buildings and works which are undertaken by the Authority or are financially assisted by it, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a—276a-5), and every such employee shall receive compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in any workweek in excess of eight hours in any workday or forty hours in any workweek, as the case may be. A provision stating the minimum wages thus determined and the requirement that overtime be paid as above provided shall be set out in each project advertisement for bids and in each bid proposal form and shall be made a part of the contract covering the project, which contract shall be deemed to be a contract of the character specified in Section 103 of the Contract Work Hours Standards Act (76 Stat. 357), as now or as may hereafter be in effect. The Secretary of Labor shall have, with respect to the administration and enforcement of the labor standards specified in this provision, the supervisory, investigatory and other authority and functions set forth in Reorganization Plan Number 14 of 1950 (15 F.R. 3176, 64 Stat. 1267, 5 U.S.C. 133z-15), and section 2 of the Act of June 13, 1934, as amended (48 Stat. 948, as amended; 40 U.S.C. 276(c)). The requirements of this section shall also be applicable with respect to the employment of laborers and mechanics in the construction, alteration or repair, including painting and decorating, of the transit facilities owned or controlled by the Authority where such activities are performed by a Contractor pursuant to agreement with the operator of such facilities.

“Equipment and Supplies

“65. Contracts for the manufacture or furnishing of materials, supplies, articles and equipment shall be subject to the provisions of the Walsh-Healey Public Contracts Act (41 U.S.C. 35 et seq.), as now or as may hereafter be in effect.

“Operations

“66. It shall be a condition of the operation of the transit facilities owned or controlled by the Authority that the provisions of section 10(c) of the Urban Mass Transportation Act of 1964 (49 U.S.C. 1609(c)) shall be applicable to any contract or other arrangement for the operation of such facilities.

“ARTICLE XV

“RELOCATION ASSISTANCE

“Relocation Program and Payments

families, business concerns and nonprofit organizations displaced from real property by actions of the Authority without regard to whether financial assistance is sought by or extended to the Authority under any provision of that Act; provided, however, that in the event real property is acquired for the Authority by an agency of the federal government, or by a State or local agency or instrumentality, the Authority is authorized to reimburse the acquiring agency for relocation payments made by it.

“Relocation of Public or Public Utility Facilities

“68. Notwithstanding the provisions of Section 67 of this article XV, any highway or other public facility or any facilities of a public utility company which will be dislocated by reason of a project deemed necessary by the Board to effectuate the authorized purposes of this Title shall be relocated if such facilities are devoted to a public use, and the reasonable cost of relocation, if substitute facilities are necessary, shall be paid by the Board from any of its monies.

“ARTICLE XVI

“GENERAL PROVISIONS

“Creation and Administration of Funds

“69. (a) The Board may provide for the creation and administration of such funds as may be required. The funds shall be disbursed in accordance with rules established by the Board and all payments from any fund shall be reported to the Board. Monies in such funds and other monies of the Authority shall be deposited, as directed by the Board, in any state or national bank located in the Zone having a total paid-in capital of at least one million dollars (\$1,000,000). The trust department of any such state or national bank may be designated as a depository to receive any securities acquired or owned by the Authority. The restriction with respect to paid-in capital may be waived for any such bank which agrees to pledge federal securities to protect the funds and securities of the Authority in such amounts and pursuant to such arrangements as may be acceptable to the Board.

“(b) Any monies of the Authority may, in the discretion of the Board and subject to any agreement or covenant between the Authority and the holders of any of its obligations limiting or restricting classes of investments, be invested in bonds or other obligations of, or guaranteed as to interest and principal by, the United States, Maryland, Virginia or the political subdivisions or agencies thereof.

“Annual Independent Audit

“70. (a) As soon as practical after the closing of the fiscal year, an audit shall be made of the financial accounts of the Authority. The audit shall be made by qualified certified public accountants selected by the Board, who shall have no personal interest direct or indirect in the financial affairs of the Authority or any of its officers or employees. The report of audit shall be prepared in accordance with generally accepted auditing principles and shall be filed with the Chairman and other officers as the Board shall direct. Copies of the report shall be distributed to each Director, to the Congress, to the Board of Commissioners of the District of Columbia, to the Governors of Virginia and Maryland, to the Washington Suburban Transit Commission, to

the Northern Virginia Transportation Commission and to the governing bodies of the political subdivisions located within the Zone which are parties to commitments for participation in the financing of the Authority and shall be made available for public distribution.

“(b) The financial transactions of the Board shall be subject to audit by the United States General Accounting Office in accordance with the principles and procedures applicable to commercial corporate transactions and under such rules and regulations as may be prescribed by the Comptroller General of the United States. The audit shall be conducted at the place or places where the accounts of the Board are kept.

“(c) Any Director, officer or employee who shall refuse to give all required assistance and information to the accountants selected by the Board or who shall refuse to submit to them for examination such books, documents, records, files, accounts, papers, things or property as may be requested shall, in the discretion of the Board forfeit his office.

“Reports

“71. The Board shall make and publish an annual report on its programs, operations and finances, which shall be distributed in the same manner provided by Section 70 of this Article XVI for the report of annual audit. It may also prepare, publish and distribute such other public reports and informational materials as it may deem necessary or desirable.

“Insurance

“72. The Board may self-insure or purchase insurance and pay the premiums therefore against loss or damage to any of its properties; against liability for injury to persons or property; and against loss of revenue from any cause whatsoever. Such insurance coverage shall be in such form and amount as the Board may determine, subject to the requirements of any agreement arising out of issuance of bonds or other obligations by the Authority.

“Purchasing

“73. Contracts for the construction, reconstruction or improvement of any facility when the expenditure required exceeds ten thousand dollars (\$10,000) and contracts for the purchase of supplies, equipment and materials when the expenditure required exceeds two thousand five hundred dollars (\$2,500) shall be advertised and let upon sealed bids to the lowest responsible bidder. Notice requesting such bids shall be published in a manner reasonably likely to attract prospective bidders, which publication shall be made at least ten days before bids are received and in at least two newspapers of general circulation in the Zone. The Board may reject any and all bids and readvertise in its discretion. If after rejecting bids the Board determines and resolves that, in its opinion, the supplies, equipment and materials may be purchased at a lower price in the open market, the Board may give each responsible bidder an opportunity to negotiate a price and may proceed to purchase the supplies, equipment and materials in the open market at a negotiated price which is lower than the lowest rejected bid of a responsible bidder, without further observance of the provisions requiring bids or notice. The Board shall adopt rules and regulations to provide for purchasing from the lowest responsible bidder when sealed bids, notice and publication are not

required by this section. The Board may suspend and waive the provisions of this section requiring competitive bids whenever:

“(a) the purchase is to be made from or the contract is to be made with the federal or any State government or any agency or political subdivision thereof or pursuant to any open end bulk purchase contract of any of them;

“(b) the public exigency requires the immediate delivery of the articles;

“(c) only one source of supply is available; or

“(d) the equipment to be purchased is of a technical nature and the procurement thereof without advertising is necessary in order to assure standardization of equipment and interchangeability of parts in the public interest.

“Rights of Way

“74. The Board is authorized to locate, construct and maintain any of its transit and related facilities in, upon, over, under or across any streets, highways, freeways, bridges and any other vehicular facilities, subject to the applicable laws governing such use of such facilities by public agencies. In the absence of such laws, such use of such facilities by the Board shall be subject to such reasonable conditions as the highway department or other affected agency of a signatory party may require; provided, however, that the Board shall not construct or operate transit or related facilities upon, over, or across any parkways or park lands without the consent of, and except upon the terms and conditions required by, the agency having jurisdiction with respect to such parkways and park lands, but may construct or operate such facilities in a subway under such parkways or park lands upon such reasonable terms and conditions as may be specified by the agency having jurisdiction with respect thereto.

“Compliance with Laws, Regulations and Ordinances

“Police

“76. The Board is authorized to employ watchmen, guards and investigators as it may deem necessary for the protection of its properties, personnel and passengers and such employees, when authorized by any jurisdiction within the Zone, may serve as special police officers in any such jurisdiction. “Exemption from Regulation

“77. Except as otherwise provided in this Title, any transit service rendered by transit facilities owned or controlled by the Authority and the Authority or any corporation, firm or association performing such transit service pursuant to an operating contract with the Authority, shall, in connection with the performance of such service, be exempt from all laws, rules, regulations and orders of the signatories

and of the United States otherwise applicable to such transit service and persons, except that laws, rules, regulations and orders relating to inspection of equipment and facilities, safety and testing shall remain in force and effect; provided, however, that the Board may promulgate regulations for the safety of the public and employees not inconsistent with the applicable laws, rules, regulations or orders of the signatories and of the United States.

This exemption shall include, without limitation, all motor vehicle license fees, sales taxes and motor fuel taxes.

“80. The Authority shall be liable for its contracts and for its torts and those of its Directors, officers, employees and agent committed in the conduct of any proprietary function, in accordance with the law of the applicable signatory (including rules on conflict of laws), but shall not be liable for any torts occurring in the performance of a governmental function. The exclusive remedy for such breach of contracts and torts for which the Authority shall be liable, as herein provided, shall be by suit against the Authority. “Jurisdiction of Courts

“81. The United States District Courts shall have original jurisdiction, concurrent with the Courts of Maryland and Virginia, of all actions brought by or against the Authority and to enforce subpoenas issued under this Title. Any such action initiated in a State Court shall be removable to the appropriate United States District Court in the manner provided by Act of June 25, 1948, as amended (28 U.S.C. 1446).

“Condemnation

“82. (a) The Authority shall have the power to acquire by condemnation, whenever in its opinion it is necessary or advantageous to the Authority to do so, any real or personal property, or any in-

Whenever the words ‘real property,’ ‘realty,’ ‘land,’ ‘easement,’ ‘right-of-way,’ or words of similar meaning are used in any applicable federal or state law relating to procedure, jurisdiction and venue, they shall be deemed, for the purposes of this Title, to include any personal property authorized to be acquired hereunder.

62 Stat. 986.

“(c) Any award or compensation for the taking of property pursuant to this Title shall be paid by the Authority, and none of the signatory parties nor any other agency, instrumentality or political subdivision thereof shall be liable for such award or compensation.

“Enlargement and Withdrawal; Duration

“83. (a) When advised in writing by the Northern Virginia Transportation Commission or the Washington Suburban Transit Commission that the geographical area embraced therein has been enlarged, the Board, upon such terms and conditions as it may deem appropriate, shall by resolution enlarge the Zone to embrace the additional area.

“(b) The duration of this Title shall be perpetual but any signatory thereto may withdraw therefrom upon two years’ written notice to the Board.

“(c) The withdrawal of any signatory shall not relieve such signatory, any transportation district, county or city or other political subdivision thereof from any obligation to the Authority, or inuring to the benefit of the Authority, created by contract or otherwise.

“Amendments and Supplements

“84. Amendments and supplements to this Title to implement the purposes thereof may be adopted by legislative action of any of the signatory parties concurred in by all of the others.

“85. The provisions of this Title and of the agreements thereunder shall be severable and if any phrase, clause, sentence or provision of this Title or any such agreement is declared to be unconstitutional or the applicability thereof to any signatory party, political subdivision or agency thereof is held invalid, the constitutionality of the remainder of this Title or any such agreement and the applicability thereof to any other signatory party, political subdivision or agency thereof

or circumstance shall not be affected thereby. It is the legislative intent that the provisions of this Title be reasonably and liberally construed.

"Effective Date; Execution
